New Starter Policy

Written by Year 3

Aim

This policy is made for staff and pupils to follow when new children start at school.

We will:

- Welcome the child into the class
- Give them a tour of the school
- Give them a friend buddy for their first few days
- Make them feel like they belong to the school
- Help them with their work if they are struggling
- Teach them the school rules.

Responsibility:

ALL staff and ALL pupils are responsible for welcoming a new person to the school.

Consequences:

If a pupil or member of staff does not follow this policy, they will be sent to the Headteacher for a consequence!
