World Mental Health Day

We will be celebrating World Mental Health Day on Tuesday 10th October. All of the children can come to school in their own clothes wearing green.

Throughout the day we will be raising awareness of the importance of promoting positive mental health. In school we follow the 'My Happy Mind' programme please download the Parents App to support your child at home. To access these materials just go to <https://myhappymind.org/parent-resources> and enter your name, email, and authentication code. Your authentication code is 105343.

Space Week - 2nd - 6th October 2023

In school this week, we are celebrating World Space Week! This annual event takes place from 04/10/2023, and we would like the children in school to take part in completing some of the super space-themed activities on the World Space Day homework grid. This has been emailed out, and is also available to download from the Science page on our school website! Upload photos of your child's homework to their Seesaw journal for them to be shared in your child's class.

Altar Servers at St Joseph's

Fr Paul has asked if any children (from Y5 or Y6) would like to be an Altar Server at St Joseph's Parish Church. If your child is interested, please contact the school office.
