Dear Families,

We really want to revamp our book corners in our classrooms and continue to develop the children's love of reading with some exciting book releases which we know the children will love!

We have created a St Joseph's Amazon Book Wish List and we will keep adding to this list each term. If you would like to and are able to purchase one/more of the books from the list please do so, when it arrives if you bring it to the office and then we will write your child's name in the cover to show that you have donated it to the school.

We fully appreciate that not everybody is in a position to be able to do this at this time. We are extremely lucky that our parents are always offering their time, support and often ask if there is any way that they can support our wonderful school, this is one way that you can do if you are able to we would be so grateful.

Please click on the link below to view the list:

Kind regards,
