#### **Responsibilities**

The Headteacher will ensure that staff are familiar with and correctly apply the policy.

The Governors will review the policy as required.

#### **Policy statement**

During the school day all activities that are a necessary part of the National Curriculum plus Religious Education will be provided free of charge. This includes any materials, equipment and transport to take pupils between the school and the activity. It excludes charges made for teaching an individual pupil or groups to play a musical instrument. Unless the teaching is an essential part of either the National Curriculum or Religious Education, we will make a charge.

Voluntary contributions may be sought for activities during the school day which entail additional costs, *for example school trips, a drama group performing in the school, a D&T project where the parents have indicated (in advance) that they wish their child to bring home the product.* In these circumstances no pupil will be prevented from participating because his/her parents cannot or will not make a contribution. However, if insufficient funds are available it may be necessary to curtail or cancel activities.

### **Optional activities outside of the school day**

We may charge for some optional, extra activities provided outside of the school day. Such activities are not part of the National Curriculum or Religious Education nor are they part of an examination syllabus. Where activities are run by external providers, e.g. Wild Souls, a charge will be made. Wherever possible however, we will keep school clubs run by school staff free to our pupils.

### **Education partly during the school day**

If a non-residential activity happens partly inside the school day and partly outside of it, there will be no charge if most of the time to be spent on the activity falls within the school day. Conversely, if the bigger proportion of time spent falls outside of the normal school day, charges can be made. When such activities are arranged parents will be told how the charges were calculated.

### **Residentials**

Charges will be made for board and lodging.

Voluntary contributions will be sought to cover the costs of transport and activities.

Parents cannot be asked to make a contribution towards the cost of supply teachers who may be employed to cover those teachers who are accompanying pupils on a residential visit.

### **School Meals**

School meals are available to all families and need to be booked and paid for either through the school office or online a week in advance of consuming. Parents will periodically be reminded via the school newsletters that they can claim free school meals if they come within the Local Authority criteria, advice is also given on how to apply.

### **School Milk**

Free milk is provided in EYFS up until the term before your child's 5<sup>th</sup> birthday. After this milk can be purchased for your child.

### **Loss and Damage to School Property**

Parents of a pupil who damages or loses any item of school property or equipment are liable for the cost of repair or replacement at the discretion of the Headteacher and Governors.

### **Calculating charges**

When charges are made for any activity, whether during or outside of the school day, they will be based on the actual costs incurred, divided by the total number of pupils participating. There will be no levy on those who can pay to support those who can't or won't. Support for cases of hardship will come through voluntary contributions and fundraising (see Remissions).

The principles of best value will be applied when planning activities that incur costs to the school and/or charges to parents.

### **Remissions**

Where a parent is unable to pay an identified charge, they should approach the Headteacher concerning the potential for a remission of cost as identified in this document. Cases shall be considered on a case-by-case basis and dependant on any funds available. Parents who would qualify for support may be in receipt of benefits.

The school, from time to time, may organise fundraising activities for its hardship funds. Such activities shall not raise funds specific to a particular group on a trip. Such funds can, at the discretion of the Headteacher and Resources Committee be used to:

- Subsidise the cost to all parents of a specific trip/experience/activity
- Provide a source of funds for remissions for individual parents applying to the Headteacher in respect of a trip/experience/activity
- Pay for or subsidise one aspect of a trip/experience/activity (e.g. travel costs, additional adult support etc)

### **Online Payments**

School uses an online payment system for dinner money, school trips etc. Each child has a unique number and a link can be found on the school website.

**Other Policies**

This policy should be read in conjunction with the Health & Safety Policy and the school's policies on equal opportunities.

**Review**

This policy will be reviewed in accordance with the School Development Plan.
