

Year 1 Learning Log

I like being a mathematician:

- Practise your number bonds to 5 and 10.
- Practise finding 1 more and 1 less of a number.
- With the numbers 1-20 can you make up sentences using the words 'less than and more than',

I like being a reader, a writer and being creative with words:

- If you were King or Queen for the day what would your Royal rules be? Write a list.
- Find out information about the Royal Family and make a poster about them.

Key Vocabulary:

Learn the meaning of these words:

- Capital city
- Country
- City
- Monarch
- Landmark
- Monument
- Human feature
- Physical feature

I like being creative:

- Build a real or fantasy city using Lego, blocks or 3-D junk materials.
- Describe your city to an adult, remember to use lots of adjectives!
- Make a model of a famous London landmark.
- Create and label a picture or map of a fantasy city. What types of buildings would be in your city and what would they look like?

Houses of Parliament

St Paul's Cathedral

I like being a scientist:

- Go on an autumn walk and make a list of the different things you see.
For e.g. different coloured leaves, conkers, animals, pine cones.

I like being an active learner:

- Design a healthy breakfast for your visit to a big city.
- Visit your local library and search for information about one of the capital cities in the UK.
- Find images of different cities in the world. Which ones are your favourite?

For your home learning challenge please complete at least 1 piece of work from each section.

Your challenges must be creative, informative and in your own words. We look forward to seeing how imaginative your challenges will be. Please take pride in each piece of work you do and have fun!!

To be completed by Friday 15th December
