

St Joseph's RCP- Science Coverage 2023-2024

Term	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	<u>Seasonal Changes</u> – Autumn, colours and changes in our FS garden <u>Personal Health</u> – Body parts, oral health, healthy eating and hygiene awareness <u>Materials</u> – texture, natural materials, waterproof materials		<u>Seasonal Changes- Winter / Spring</u> – New life, clothes, animals and trees <u>Our 5 Senses</u> – body parts <u>Plants</u> – daffodils, beans and bulbs, taking care of plants and observing them grow <u>Bees/Honey - Butterflies</u> – lifecycles, caring for the environment		<u>Seasonal Changes - Summer</u> – sun safety <u>Forces</u> – push, pull and ramps <u>States of Matter</u> – melting and freezing <u>The world around us</u> – farm animals, zoo animals, habitats, recycling and pollution	
Year 1	Seasonal Changes – Autumn	Seasonal Changes – Winter	Seasonal Changes – Spring	Everyday Materials	Seasonal Changes – Summer Plants	Animals including humans
Year 2	Living things and their habitats	Animals including humans	Developing disciplinary knowledge and Working Scientifically	Plants	Developing disciplinary knowledge and Working Scientifically	Uses of everyday materials
Year 3	Developing disciplinary knowledge and Working Scientifically	Forces and Magnets	Animals including humans	Light	Plants	Rocks
Year 4	Developing disciplinary knowledge and Working Scientifically	Animals including humans	States of Matter	Electricity	Sound	Living things and their habitats –
Year 5	Forces	Earth and Space	Living things and their habitats	Animals including humans	Properties and Changes of materials	Developing disciplinary knowledge and Working Scientifically
Year 6	Animals including humans	Living things and their habitats	Light	Evolution and inheritance	Electricity	

Red = Physics, Blue = Chemistry, Green = Biology.
