

Year 2 Learning Log

SUMMER 1

I like being a mathematician:

- Practise your 2, 5 and 10 times tables on Times Table Rockstars.
- Practise adding two 2-digit numbers using the following method:
 $36 + 25 =$
 $36 + 20 = 56$
 $56 + 5 = 61$
- Practise subtracting two 2-digit numbers using the following method:
 $43 - 24 =$
 $43 - 20 = 23$
 $23 - 4 = 19$

I like being a reader, a writer and being creative with words:

- Make an information book about castles, bridges or tunnels. What fascinating facts can you find to amaze your family, friends and teachers?
- Visit your local library and find any books they have on Castles.

I like being creative:

- Make a detailed diagram of a castle, labelling interesting features which might be found inside or out.
- Design and create a model of a famous structure from around the world, using junk materials found at home.

I like being a scientist:

- Find out about famous engineers. Use books and the internet to find out about their life and work.
- Design a new landmark for your local area. What materials would you use and why?

I like being an active learner:

- Play a tumbling tower game such as, Jenga, with your family. What are the best ways of keeping the tower upright? See if you can take some action shots or videos of the tower falling.
- Go on a bridge hunt with your family around your local area. What types of bridge can you find? Take photographs and share them with your class.

Key words to learn:

arch
battlements
drawbridge
lord

arrow
burrow
fortress

bailey
castle
keep

For your home learning challenge please try to complete at least 2 activities. Your challenge should be creative, informative and in your own words. We look forward to seeing how imaginative your challenges will be. The challenges can be brought into school or shared on Seesaw.

To be completed and shared with the class/ teachers before Wednesday 25th May.
