

Year 2 Learning Log- Spring 2

I like being a mathematician:

- Learn the 2, 5 and 10 times tables. Use Time Table Rockstars to help you.
- Share or divide food/objects into different fractions- $\frac{1}{2}$, $\frac{2}{4}$, $\frac{1}{4}$, $\frac{3}{4}$, $\frac{4}{4}$, $\frac{1}{3}$
- Keep practising telling the time, time how long activities take at home and plan your weekend based on the time

I like being a reader, a writer and being creative with words:

- Read books about plants.
- Create a non-fiction text about how plants grow.
- Keep a plant diary

I like being creative:

- Make a scrap book of pictures of weird and wonderful plants.
- Press flowers between the pages of a book and use them to make gifts or cards for your family and friends.

I like being a scientist:

- Plant some seeds in different conditions and observe how they grow.
- Grow a sunflower in your garden and measure how it grows over time.

I like being an active learner:

- Visit a garden centre, florist or plant sale, or take a walk in your garden or local area. Find out the names of any plants you don't recognise.
- Visit your local junior parkrun- to run, walk or volunteer. Register for free at <https://www.parkrun.org.uk/register/>

Ramsbottom junior parkrun
<https://www.parkrun.org.uk/ramsbottom-juniors/>

Key words to learn:

leaf	root	bulb	leaves
flower	petals	root	stem
water	light	temperature	grow
suitable	healthy	germination	reproduction

For your home learning challenge this half term please try to complete at least 2 activities.

Your challenge should be creative, informative and in your own words. We look forward to seeing how imaginative your challenges will be. The challenges can be brought into school or shared on Seesaw.

To be completed before Thursday 28th March.
